

Rainfresh®

High Efficiency

Water Softeners

C Series

Rainfresh water softeners make water soft by removing hardness using a process called Ion Exchange. With soft water you can experience great benefits such as:

Super clean laundry

- Clothes washed in soft water come out softer and prevent damage to fibres.
- With soft water you will use up to 75% less detergent than hard water, saving you money.
- Extends your washing machine life by preventing hard water scale build up

Clean Shower & Smoother Shave

- Enjoy softer, bouncier hair & smoother skin after showers
- Prevents showerheads from clogging up due to scale
- Smoother and closer shaves & razors last longer
- Use up to 75% less shampoo and conditioners – saves you \$\$

Dishwasher

- Spotless glassware and dishes
- Use up to 75% less detergent – saves you \$\$

Water Heaters

Reduces energy costs by preventing scale build up in water heaters

Clean and Clear Water for your entire home.....Always!!!

High Performance Features

- Bilingual programmable electronic backlit display
- On demand regeneration (meter initiated)
- **Uses up to 60% less salt than timer softeners**

Wall mountable backlit display module for easy viewing

Whole House Installation

- 3/4" NPT elbow fittings, can be easily rotated to suit any installation angle
- Bypass valve and 15 feet of drain hose included

Sliding Salt Lid

Salt lid slides upward and does not come in the way of salt filling

Trusted Quality & Performance

Tested & certified to NSF/ANSI 44 and to CSA B483.1
