F2 ESSENTIALS SYSTEM

Instapure F2 faucet mount filter system attaches easily to kitchen faucets in minutes without using any tools. It delivers essential performance, is compact and long lasting and is ideal for home use for drinking water & cooking needs. Available in white (F2WU) or chrome (F2C) models, the F2 faucet filters are designed to give you clean fresh drinking water or regular tap water at the twist of a handle.

CERTIFIED PERFORMANCE

F2 system has been tested and certified by The Water Quality Association to NSF/ANSI 42 for reduction of chlorine taste and odour.

The filter cartridge (model R2) lasts 200 US gal (757L), twice that of the competition. Plus, F2 is highly economical, with cost per litre of filtered water less than half that of competitors.

BENEFITS

- Reduces chlorine, taste and odour
- Easy to install in minutes
- Double the cartridge life of competitors
- *Very Economical* - Half the cost/L of competitors
